Notice of the Annual General Meeting

Our next Annual Meeting, including the formal Annual General Meeting, will take place on Sunday May 3rd 2020 at the RHS Gardens Wisley.

One of the important matters to be dealt with at the AGM is the appointment of members to our Committee. Currently we have at least one vacancy and would hereby seek nominations from our membership, to be sent to Chris Davies, contact details on the rear cover of the journal. We have made requests for nominations previously without great success, but it is now vitally important that we get “new blood” into the hard working group that have supported the Society in recent years. Without being too dramatic, it is however increasingly true that the future of the Society is in your hands.

Further details of the meeting will be given in our February journal.

Chris Davies
